

Applicants' attorney confirmed with Examiner Chiem that the election required was to elect one species from each of the Groups A, B, C, D and E. The election is traversed on the basis that prosecution of all elements is not an undue burden. This is particularly seen from the fact that only claims 11, 13, 18-20, 25 and 32 out of 44 are excluded for present prosecution.

The Examiner is encouraged to telephone the undersigned attorney to discuss any matter that would expedite allowance of the present application.

Respectfully submitted,
JAMES RABEAU ET AL.
